Ahmad Al Madani

Business Solution Manager | SAP Certified | MBA | Leading finance systems & reporting, driving future roadmaps & strategy. Collaborating with stakeholders for digital transformation & achieving company goals.

Jiddah, Makkah, Saudi Arabia

Summary

As a Business Solutions Manager at Basamh Trading & Industries Group, I am at the forefront of driving the strategic direction and evolution of our ERP systems and reporting frameworks. With deep expertise in SAP S/4HANA (FICO, MM, and SD) and business process integration, I take pride in leading the design, implementation, and optimization of solutions that align with both current and future business objectives. I hold two SAP certifications and an MBA from Geneva Business School, which further complements my technical expertise and strategic business acumen.

I specialize in leading transformative SAP projects that drive operational excellence, automation, and digital innovation. Among my key achievements, I have successfully led:

- ✓ SAP Upgrade Project – Ensured a seamless transition to the latest version, optimizing system performance and business processes.
- ✓ E-Invoicing Project for ZATCA Integration – Spearheaded the implementation of Phase 1 and Phase 2 e-invoicing requirements, ensuring full regulatory compliance.
- ✓ Coupa Implementation – Drove the end-to-end implementation of Coupa, enhancing procurement efficiency and supplier collaboration.

I excel in building strong, collaborative relationships with stakeholders, identifying opportunities for optimization, and unlocking hidden value within existing processes. By working closely with the Enterprise Applications team, I ensure that our ERP infrastructure, data integration, and reporting designs are aligned with business needs and are effectively prioritized to drive tangible outcomes.

A key focus of my role is managing and executing SAP projects and digital transformation that empower business users, enhance

productivity, and streamline operational efficiency. My passion for digital transformation has earned me multiple awards for exceptional performance and for my contributions to achieving company-wide goals.
